SECTION 106 CONSULTATION PANEL

Review and Compliance

Sarah Meitl, M.A., will moderate a discussion among consulting party panelists about meaningful consultation in Section 106 via Webex. The panel will be comprised of individuals from a federal agency, a federally recognized Tribe, a local government, an ANSCA Corporation, and legal counsel. The goal of this forum is not to present or make policy, but rather to provide a venue to share experiences or lessons learned for a community of cultural resource management practitioners. Through questions and resultant discussions, Ms. Meitl will moderate topics concerning consultation process, definitions, and experiences that will benefit all steps of Section 106 and consultation in general.
